Itinerary

Telavi-Vardisubani-Akhmeta-Tsinandali-Telavi

Pickup will be arranged from your hotel in Telavi for a delightful wine adventure.

Our journey begins in the charming village of Vardisubani, nestled near [Telavi](#). This historic village is renowned for its production of egg-shaped earthenware vessels called Qvevri, used for making, aging, and storing wine underground. These unique vessels are recognized by UNESCO as intangible World Heritage.

We'll have the opportunity to visit two esteemed winemaker families in Vardisubani. First, we'll meet the [Kbilashvili family](#), who have upheld the Qvevri manufacturing traditions for four generations. The host will introduce us to the art of Qvevri making, followed by a tasting of their exquisite Qvevri wines.

Next, we'll visit [Jakeli Organic Vineyard](#) and Wines, another family-owned establishment dedicated to biological viticulture. Learn about their fascinating story and enjoy tastings of three wines (two white, one red), along with chacha and delectable appetizers.

Our wine exploration continues as we venture to the northern part of [Kakheti](#) region to visit [Lekso's Marani](#) in the quaint village of [Akhmeta](#). Lekso, a passionate winemaker, specializes in unique blends of [Kakheti](#) grape varieties Khikhvi and Kisi, boasting high and balanced alcohol content. Indulge in a delightful wine tasting experience.

Our final destination is Tsinandali, renowned as one of Georgia's premier wine-making regions. Here, we'll visit [Shumi Winery](#), known for its wide range of grape-based alcoholic beverages and innovative food products. With a focus on quality and innovation, Shumi is at the forefront of utilizing biodynamic and green harvest methods, producing certified organic wines.

After a day filled with wine delights, we'll return to [Telavi](#), concluding our memorable wine tour experience.

We are looking forward to greet you for next trip!
