Total driving distance: 216 km (3 h 41 min)

9:00 - Morning guide will meet you at the hotel lobby holding the name board, pick-up, and drive out of the city.

First stop is at [Jvari Monastery](#) located on top of a mountain. Here, we have introductory story of the area and wonderful panorama over the **Armazi Mountains** and the town of [Mtskheta](#), confluence of two rivers **Aragvi** and [Mtkvari](#). This 6th c early Christian masterpiece represents the best sample how harmoniously architecture and landscape could interrelate.

Drive towards [Gori](#) - the town that lies at the center of [Kartli](#) region. [Gori](#) was an important military stronghold in the Middle Ages. Visit Stalin's House Museum. Excursion in the museum of the Soviet era will take about 30 minutes. The museum consists of 3 sites: main building contains items related to his life, the house where he was born, and his personal railway carriage.

Next place to visit is the ancient cave town **Uplistsikhe** - "Fortress of the Lord", an ancient town carved in rock and located in 14 kilometers east of town [Gori](#). The echoing halls, long meandering corridor-streets, chambers for pagan worship and even the remains of the oldest theatre in **Georgia**, all carved into the rocky plateau are waiting for you to be explored.

After completing the tour in **Uplistsikhe** drive back to **Tbilisi**. On the way pass through [Mtskheta town](#), walk a little, and pay a visit to its second UNESCO World Heritage Site - [Svetitskhoveli Cathedral](#). Enjoy relaxing evening and taste local sweets at the souvenir shopping rows.
