TBILISI & MTATSMINDA TOUR

Meet your guide in the morning at the hotel.

Start the city tour from the left bank of Tbilisi and visit **David Aghmashenebeli Avenue**. The pedestrian zone is called New Tiflis. Enjoy your time walking through the streets, have a cup of coffee in one of the cafes, visit souvenir shops, cross the Dry Bridge to see Tbilisi open-air Flea market. If you like meeting locals, it is a great place to spend an hour. A large selection of artworks are exhibited beside the antique session. Here you will find not only such works but various jewellery, accessories, vessels, stamps, books and coins as well.

Spend the second half of the day on the right bank of old Tbilisi and have a photo session on the [Bridge of Peace](#). Walk through Rike Park and ride up to [Narikala Fortress](#) by aerial cable car. Stroll downhill towards the Jumah Mosque, where narrow cobbled street leads to the spiral stairs downwards to Abanotubani (sulfur bath district) famous for its domed bathhouses. We finish walking here and drive through the Freedom Square to the lower station of Mtatsminda funicular.

Mtatsminda Park is the highest elevated point of Tbilisi where you can get with funicular in just 6 minutes. The ride gives you an opportunity to observe panoramic views from above. Mtatsminda amusement park is divided into 3 zones: extreme zone where you can have ride in the roller coaster, children and family zones.
